SPECIAL UPDATES

For the blessed Christmas season at Little River.....

December 18th—Thanks to the Children and Youth for a wonderful presentation, "Believe", as they told the story how God burst into the timeline of history because He so loved us!

December 24th—Thanks to the combined choirs of Aldie United Methodist and Little River as they presented the cantata, "Beautiful Star of Bethlehem", which through word and music told the message of God's love!

*December 25th—Thanks to our Pastor and Music Director as they led in telling the story in scripture and song—from **The Creation and Fall** in Genesis to **The Good News to All** as told in John 3!*

We look forward to a great year serving our Lord at Little River Baptist.
